

PRESS RELEASE

February 13, 2012

The National Commission for women is deeply anguished and concerned about the continuing incidents of atrocities on women in Delhi and NCR areas.

Smt Mamta Sharma Chairperson National Commission for Women expressed shock and urged the state Government and police to take appropriate steps to ensure safety and security to women in Delhi and NCR areas. NCW has taken suo moto cognizance of the Press report “pregnant Woman raped by neighbours” and also in the case of “12 year old molested by Cop.” She further said strict action should be taken against the criminals so that such incidents do not occur in future.

The Commission has called for a report in this matter along with the action taken by the police.
