National Commission for Women
4. DDU Marg, New Delhi – 110002

13/4/2011

I would like to take this opportunity to thank the Government of India to nominate me as an acting Chairperson of National Commission for Women as a reward of service for the services in the Commission

I congratulate the whole team of this Commission who make the programme and activities a grand success. I would like to educate the women to adopt the collective approach in the right direction and awareness to join the current stream of the nation.

I would like to continue the Commission's policy on emphasis on rural women. We would also continue to focus on our programme "Chalo Gaon Ki Ore" to establish direct contact at grass root level.

I would like to thank the Members of Media, NGOs and Members of Civil Societies for their cooperation and hope that they would continue to support me in discharging my duties.
