

Press Release
17/06/2010

The National Commission for Women has received a complaint regarding the alleged gang rape and abduction of a minor girl at Meerut, Uttar Pradesh. The girl was recovered and FIR was registered. The case was sent to the medical board by the police as the age of the victim was doubted. The action taken report was sought from the Meerut police officials. The victim was sent for medical examination at Lok Narayan Jai Prakash Hospital and the medical report stated that the age is between 15 & 16 i.e. she is minor where the Meerut Medical Board has opined the age of victim to be about 17+ years. In this regard while talking to the press Dr. Girija Vyas Chairperson, National Commission for Women expressed has shock, she also expressed her concern at large number of complaints being received from UP in NCW. The complaints on police apathy and rape are increasing, No perpetration of crime should be spared whatever might be his level, and she appealed.
